

OPERATING INSTRUCTIONS

AC Plug-in Adapter

Model PS1205US

The PS-1205US is a plug-in wall adapter designed to power most Fiber transmission units. The unit converts 115 VAC 60Hz to 12 volts DC at up to 500 milliamperes. The wire with the white stripe is the positive lead (+), the unmarked wire is the negative lead.

WARRANTY

All fiber optic accessories manufactured by Liteway, Inc. and its subsidiaries are fully tested prior to shipment and are warranted against defective materials and workmanship for a period of two full years from the date of the original shipment. Should a problem occur, a Return Material Authorization Number (RMA) must be obtained from Liteway Inc. at (516) 931-2800 and the item returned to Liteway, Inc. 166 Haverford Road, Hicksville, NY 11801, USA, prepaid. Math Associates Inc. will then, at its option repair or replace the defective item.

Liteway, Inc. maximum liability under this warranty is limited to the cost of the defective item only. No contingent liabilities of any kind are either assumed or implied.
